

Dublin Music Boosters - Concession Stand Sign-up - Fall 2010

Dublin Coffman Stadium

In addition to our Annual Fund Drive, the concession stands are our primary fundraiser for the Dublin Music Boosters. Funds benefit all music students, including YOUR child. Please sign up to work the concession stand for at least 3 events per parent, on this page. (If everyone does their share, no one has to do more than 3 events.) **Remember 3-2-1**

**Never Worked Concessions?
NO Problem!**

A crew leader and many other parents will be there to help you. You can even choose what job you want to do (and they are all easy!) As you meet everyone; you'll have fun while you support your child's music education experience!

Sign up for one event in each section.

The **First** section is for soccer, field hockey and non-varsity football. These are small events and require 3-5 people. The **Second** section is for varsity football and the **Third** section is for the OMEA state band contests. These events require 25-32 people.

Print your name and e-mail address:

Notes:

* Oct. 29th is Senior night. Don't sign up if your child is a Senior.

** This is a possible play off football game that we would host.

***OMEA is based upon last year's schedule. Schedule will be finalized in October.

You will receive an e-mail confirming your work assignment and a reminder e-mail about a week prior to your event.

One Last note: There will be other events that we will host and we will e-mail needs as we learn of them. We have always hosted football tournament games every week-end in November.
